

Board of Director Interest Form

It is the mission of the Women's Shelter and Support Center ("Shelter") to provide temporary shelter and services for abused women, individuals and families while transforming our communities through education and leadership for social change. Our vision is for women, individuals, and families to have the freedom and dignity to live safely in our communities.

To effectively carry out this mission the Shelter is always seeking individuals to play a more active role in the organization through the role of a Board Director. If you have an interest learning more about this unpaid, volunteer opportunity to support our mission, please complete and return this interest form.
